- We are encouraging our Caravan Park guests to contribute an amount which they feel their stay and experience is worth, according to their own financial ability. This is a unique financial model that is centred on the values of trust, generosity and respect.
- Kulin is “the perfect base to stay and explore the Eastern Wheatbelt”. The Kulin region offers many amazing and unique experiences. Easy day trips can also be made to many of the region’s iconic sights including Wave Rock.
- The community of Kulin is serious about attracting visitors to our town and keeping them here as long as possible. Your visit and support of our local businesses is extremely important to us.
- The purpose of this initiative is not to provide free accommodation at the Kulin Caravan Park, but rather allow the fee to be determined by the guest.
- Guests can determine the price for up to 5 consecutive nights. Nights over and above are charged at a nightly rate set by council. The offer can be used once in a 28 day period.
- Dogs are permitted in the Kulin Caravan Park with prior approval from the Caretaker. All pets are deemed under the supervision and control of the patron at all times. Pets are not allowed in ablution blocks or laundry facilities. We asked that your pet remains on a leash and that pet owners pick up after their pets using waste bags. Washing of pet blankets and other pet items in the park washing machine is not permitted.
